You will take away my food

So I can not run away
You will take away the bail
You made impossible to pay...

Shouting "Get down on the floor.
Where's the crack? Where's the speed?
You have things that you don't need."
Pull the children from their beds
Put your hands up on your heads
Do exactly what they say
Or they'll take us all away

{play G G G G7, then Chorus,
